## **Inspirational Word of Wisdom**

Wherefore art thou in this place my child? Come unto me this day and set things straight. Move closer to me and draw nigh. For I am close at hand. Draw close to me and I am there.

For I carry Peace, Love and Joy.

This is not mind over matter, or trick for trade. This is the true essence of my being, my Spirit which is available to all who seek for it. It is not the armor of God, nor is it readily available for passers-by. It is hidden, but can be found when looking for it. And it is found in me, so you must be looking for me. For true peace is what I give. Not like the world gives. The world doesn't give you something for nothing.

Beware of hitchhikers. (free demonic gift with purchase) Buy from the throne room of God where your gifts do not rot or mildew. They are pure. They are true.

Spend time with me my children for I have much to offer you.

Things that the world cannot offer. Everlasting peace. Everlasting Joy. Everlasting Love. For man is extremely limited in love unless they have received it from me, the throne room.

Need a quick fix? My response to this is don't be in a place where you will need a quick fix. There is no such thing as anointed quickies.

To be truly anointed, your love for me must be more than any other. I must be your staple food. I must be your go-to source. I must be your counselor. I must be your financial advisor. I must be your health coach. For who knows what you need better than me? Your creator?

I know your every cell, and I know your original DNA. No tests needed, for the symptom is only exposing a result from inner working of sin... Mainly fears, worries, anger, judgments, criticism, hatred, and many more.

Will your doctor evaluate these hidden workings? Will you only treat symptoms? Whether natural or medical means, will you continue on this journey of constant band-aid treatments?

For I am the great physician. Spend time with me and allow me to soothe your soul.

Cry out unto me for I love you like no other.

Stop looking to the world for love, relationship, meaning, and recognition.

For the only recognition needed is that your name be written in the book of life. And that is not be blotted out!

Rejoice in the Lord always. And rejoice that your name is written in the book of life.

Is your name written in the book of Life? And if it was, has it since then been blotted out?

People asked me, "Are there only few going to be saved?" And I responded - Make every effort to follow the narrow path for wide is the gate to destruction and many enter it and few are on the narrow road which leads to life.

Life!

Do you want to live, and live abundantly? Then do the more disciplined thing and travel on the straight and narrow path - one that few take. Do not go the path of the world - for what do you gain if you gain the entire world and end up in hell, burning for eternity?

Fatten your purses in heaven by giving secretly, and developing your relationship with me. My name is Yeshua and I am the only way to the father. Though many claim also to be another way, there is no other.

Because the one who opens the door to the Father must also have willingly laid down his life for the sins of the world. For the wages of sin is death -

But through my living sacrifice - I have overcome death and hell!

There are many souls in hell who wish they could turn back the clock, but for them it's too late.

Do not be like them! My desire is that all be saved and come into my Kingdom. All you need is a willing heart. Give up your life for me, and let me give you a new perspective on life and Godliness. I will train you, and teach you things you do not know.

Do not rely on your church, your temple, your place of worship for your salvation.

Rely on me. I come first. I am your leader, I am your instructor, teacher, and guide.

Come to me with your questions because I have all the answers. Keep asking keep knocking, keep seeking, and keep finding. This is the true fountain of life for I am life. And I am the way, and I am the truth.

I will reveal the mysteries to you, I have gifts for you and special assignments. I love you and I love you like no other. For my appointments with you do not cancel last minute, and also are open to 24/7 access. You make your own schedule. You want a lot of anointing? Then spend more time alone with me. You want a tiny anointing? Then make just a few appointments with me.

For I am life. And life is in the blood. Spend time with me. Sit in my presence. Let me show you in the Word my special promises, and let me reveal to you gently your faults in a loving way that you will willingly want to change, and when you realize you fail, I will help you. It's a relationship. Keep coming to me for there is the cost of time.

But I do not require a financial deposit, but I do require your heart. Will you come? May I have a say in your life who knows your every cell? I know your inner-struggles and will only address the most important thing and you will be delivered on a regular basis. I am the go-to person. Are you a gossip? Why not tell me? Do not be like the world, for all these things end up in death.

Want love? Then hang out with love. For my love is the greatest - that I laid my life down for the sins of the world - that through me you might have life.

Life! Do you want to live? Do you want adventure without hitchhikers? Do you want the truth? Do you want to know what I would like you to do?

Do you want someone to love you for who you are? Do you want understanding - someone to talk to?

For you will not be required to go through menial classes and 7-step programs. Neither will you receive a certificate with your name on it to display to the world. For compared to what I have to offer these are worthless.

Come to me every day, Come and receive my daily bread - for this is life sustaining substance not found in any health food store, online, on the street, or at the black market.

Get high on me! In my presence fill yourself with love, joy and peace. For I love you like no other. I know everything about you and we can go straight to the place needed for your ultimate healing.

Are you willing? Are you afraid? Remember the fear of the Lord is the beginning of wisdom. And wisdom brings many blessings.

Do it! Do it now! Do it daily. Freely drink of this pure water, and fresh bread - partake of it. For it is readily available. Do not pass on it, for this is the life sustaining bread - which came at a cost. It can only come from the one who already laid down his life, and raised it up again. And he is me. Yeshua Hamaschiach.

No tricks for trade. No hitch-hikers. No temporary fixes, No monetary cost. No 7-step programs, No lies, No manipulation, No coercing, No!

Come for true life. Come for truth. And receive peace and joy in abundance. Follow Love, for I am Love.

Let me reveal to you the deeper things. Let me help you! Let me make your life one worth living. Let me free you from the chains of the world.

Come freely and freely partake, for I am good and have what you need. I have your answers. Come.
